

Thames hospice

Volunteer Role Description

Role: Corporate Ambassador

Location: Various

Hours: Varied to suit

Background information:

Thames Hospice is the local charity for people living in East Berkshire & South Buckinghamshire. We provide expert care to adults who have a life-limiting illness, their families and carers. As it stands currently, it costs over £7million every year to keep our services running free of charge to those in need. With our ambitious plans to build a new Hospice already in motion, we are looking to grow corporate support for both ongoing operational costs and our Capital Appeal.

Key responsibilities will include:

- Introducing our Major Gifts & Corporate fundraising team to local and national businesses who have the propensity to support us and where possible, utilising your influence to put us in contact with business owners and/or their key decision makers.
- Helping the team plan and prepare for important pitches and/or key meetings with potential corporate supporters.
- Providing feedback to help us improve and develop the way in which we work with corporate supporters.
- Attending local functions, meetings and corporate events, speaking on our behalf, as a senior Thames Hospice volunteer representative.
- Where appropriate, feeding into the strategic development of this role to help grow and support corporate fundraising.

Training and Support:

- A full induction to Thames Hospice's services, its key people, our new build plans and corporate fundraising strategy.
- A member of the Major Gifts & Corporate fundraising team will always be on hand to offer support and any guidance you may require.
- We will reimburse any "out-of-pocket" expenses you incur whilst volunteering with us (within agreed guidelines).

Knowledge, skills and abilities required:

- We are looking for individuals who are confident, outgoing and who are willing to introduce us to their network of business contacts.
- A high level of business acumen and an appreciation of corporate philanthropy practices.
- Respect and appreciation of Thames Hospice's values (*ambition, collaboration, respect, excellence, commitment, compassion and integrity*).
- Full driving licence holder with access to own vehicle.
