

JustGiving™

Now that you've created your JustGiving page, here is a guide on how to get the most from it by showing you the various ways in which you can share it.

After you launch your page you will see this pop up

Did you know that people who donate to their own page to get them started raise a whopping 42% more than those who don't?

JustGiving™

2

Click 'share page' and you'll see this pop up which gives you the option to share far and wide with your friends and family.

Kickstart your fundraiser

0 of 3 steps

Donate to your page
People who donate to their own page raise up to 84% more.

[Donate](#)

Share with your network
Every time you share your page, you could raise an extra £50.

[Share page](#)

Add to wallet
Share your page anywhere, anytime from your digital wallet.

[Add to wallet](#)

Share your page

Sharing this cause with your network could help raise up to 5x more in donations. Select a platform to make it happen:

- WhatsApp
- Facebook
- Instagram
- Print
- Messenger
- LinkedIn
- SMS
- X
- Email
- TikTok
- Snapchat
- QR code

Clicking on the Facebook Icon will take you to this screen
*please note you may be required to log into your Facebook account first.

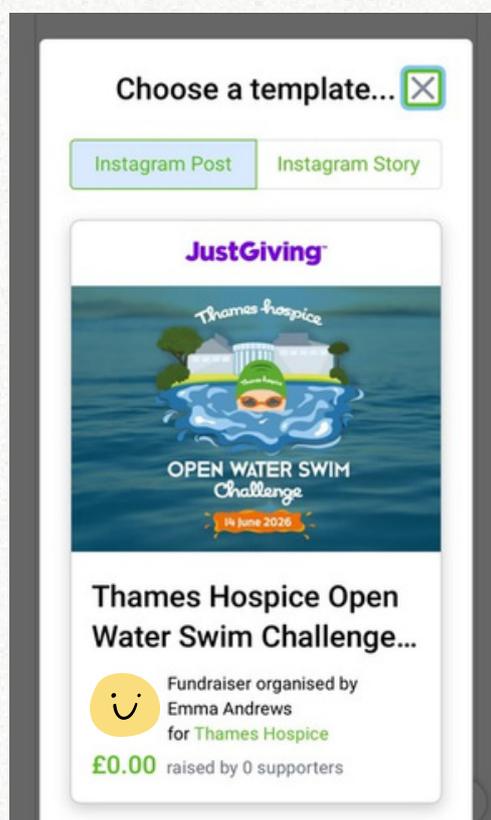

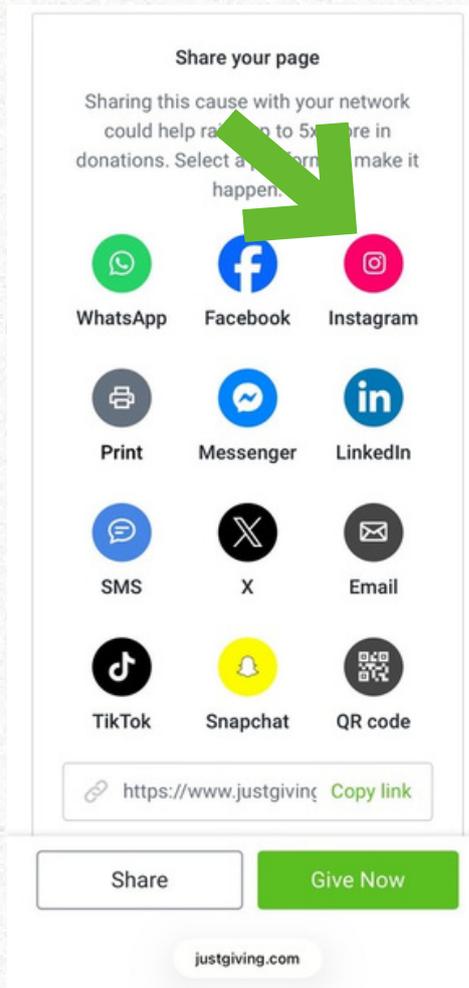

Top Tip - Make sure to write in the 'say something about this' box, telling your friends and family why you are taking on the Thames Hospice Open Water Swim.

JustGiving™

4

Clicking on the Instagram Icon will take you to this screen
*please note you may be required to log into your Facebook account first.

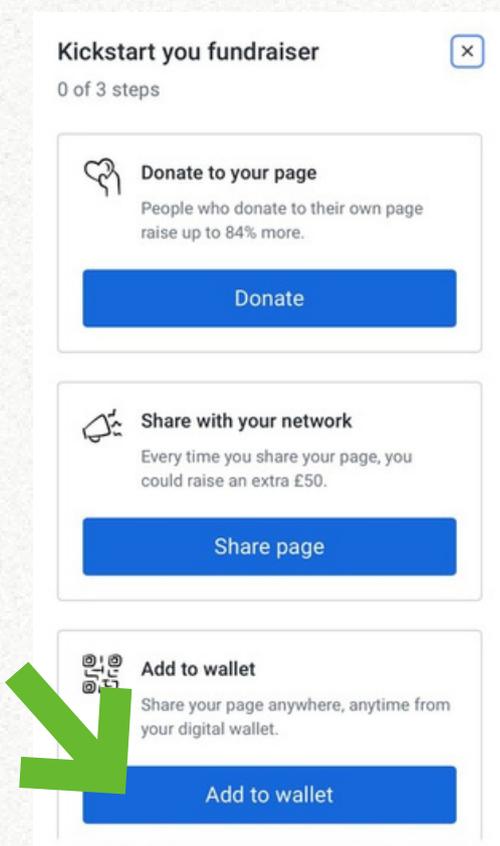

Top Tip - if you post an 'Instagram Post', it will be posted on your personal Instagram page indefinitely, or if you choose an 'Instagram story', it will be live for 24 hours and then delete itself

JustGiving™

5

Clicking 'Add to wallet' allows you to add your JustGiving page to your phone wallet. This means you can have a QR code for your JustGiving page on your phone to show people.

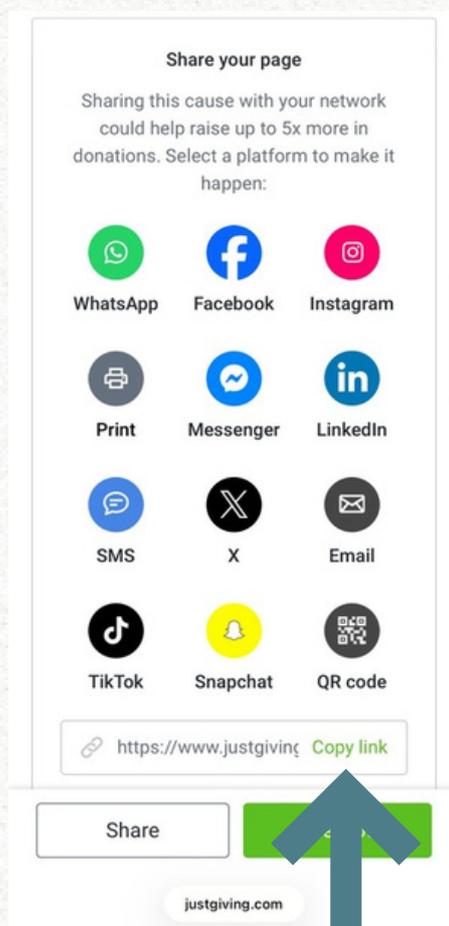

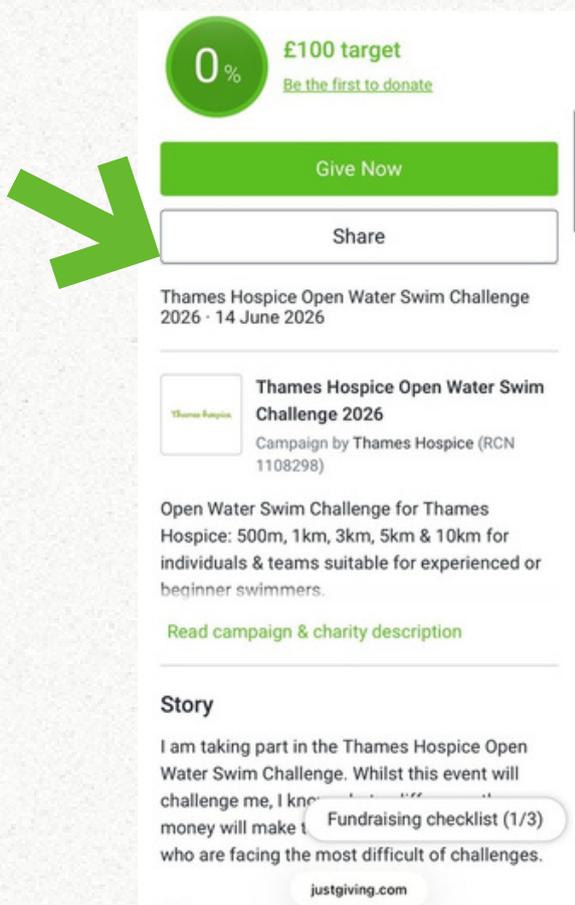

JustGiving™

6

Keep sharing your page far and wide, - the more you share, the more donations you will receive.

Top Tip: You can 'copy link' and post to any social media app or messaging app
