Thames Hospice Sunflower Walk

Why are you raising money?

T 99

I am taking part in the Thames Hospice Sunflower Walk. Whilst this walk may be a challenge for me, I know what a difference the money will make to those patients and families who are facing the most difficult of challenges.

- ♥ £12 could pay for a patient's medication for a day
- ♥ £25 could pay for an assisted bath helping a patient to relax
- ♥ £57 could pay for a bereavement call to support a family member

Thames Hospice are here to ensure that patients and their families are cared for with the utmost compassion, dignity and respect. Every penny raised from the Sunflower walk will ensure that Thames Hospice can continue to provide compassionate care to those in the local community who need it now and in the future.

You will then be prompted to personalise your page. We suggest leaving the title and web URL as they are, but editing the "Why are you raising money?" box. There is a prewritten answer by the team in the box, which you are welcome to use, but to add a more personal touch, you can edit this to tell people why you are taking part.
