Quality of life, to the end of life

## Care and support for our community

**Proudly serving our community since 1987, we are a charity providing complex, specialist palliative and end-of-life care for people with a life limiting condition, aged 16 and over, as well as vital support for their families.**

We are committed to delivering compassionate, and responsive care giving patients and their loved one's choices about the care they receive, providing the best clinical and therapeutic support in their homes and at the Hospice. Our highly skilled doctors and nurses work with patients and their families to develop a complete programme of care tailored to their needs, always treating everyone with dignity and respect.

Alongside our Inpatient and Hospice at Home services, we also have a range of outpatient activities and wellbeing therapies, including complementary therapies, physiotherapy, lymphoedema services, as well as counselling and bereavement support.

**Expert care,  
everyday  
kindness**

We provide round the clock care via a 24/7 response team for patients, families and carers, providing guidance on symptom control, practical advice and emotional support.

Treating everyone with **kindness, dignity and respect** and providing a safe and caring environment is at the heart of everything we do.

# Thames Hospice is here for you and exists because of our wonderful community

We're proud to offer all our services completely free of charge. To continue providing this vital care, we rely on the incredible generosity of people like you. With the government covering just 30% of our costs, we need to raise £39,000 every single day to support patients and families.

**Your support, whether through donating, fundraising, volunteering, shopping in our stores, or in many other ways, makes all the difference. We simply can't do it without you!**

*Nothing was too much for your team. We felt comforted knowing how well our loved one was being looked after by you all, and grateful for having such a wonderful space to share to be together.*

# Hospice care is everything you'd expect and everything you wouldn't

**Come and see for yourself and discover our beautiful lakeside setting. A tranquil haven where you can take in the peaceful atmosphere, observe local wildlife, and enjoy the stunning views across Bray Lake – a perfect spot for quiet reflection and boosting your wellbeing.**

At the heart of our welcoming space, you'll find our Café by the Lake, serving a delicious selection of hot and cold food and drinks. It's a wonderful opportunity to join us, whether inside or out on our terrace, and experience first-hand the serene environment and beautiful views. We believe you'll find Thames Hospice to be a vibrant part of our community, offering comfort and connection in unexpected ways.
